

KU EECS Distinguished Service Award – Award Application

Submittal Deadline Date: *The Annual Award Ceremony will occur in the April-May time period. Applications submitted in the prior year before Sept 30th will be considered for the next award ceremony. Any applications submitted after the deadline date will be considered for the following year.*

Strong award candidates should align well with the award mission statement.

Mission Statement

To recognize distinguished alumni and dedicated associates of the University of Kansas Department of Electrical Engineering and Computer Science. Recipients should demonstrate outstanding career achievements which have advanced the fields of Electrical Engineering, Computer Engineering, or Computer Science. Additionally recipients should be able to demonstrate contributions to KU EECS as well as exemplary contributions in areas including community outreach, leadership, business, technical, or academic roles.
